

Parent Advisory Group

The Clementon Boro School has established a Special Education Parent Advisory Group (SEPAG) to provide input and advice to the district in regard to matters pertaining to students with disabilities. All school districts in New Jersey are required to "ensure that a special education parent advisory group is in place in the district to provide input to the district on issues concerning students with disabilities" (N.J.A.C. 6A:14-1.2h).

Our parent group membership is committed to seeing their advisory group firmly established in the district and volunteer their time and energy in helping put in place a very important avenue for parents to provide input to their district for years to come. We are currently seeking new members.

Should you have any questions regarding SEPAG membership please contact Vanessa Hernandez in the Child Study Team Office directly at (856) 783-2300 Ext. 1021 or Lauren Giordano at giordanol@clementon.k12.nj.us
