

# PARENT ACCESS ACCEPTABLE USE POLICY AND REGISTRATION FORM

The Clementon School District has developed the Parent Access as a means to further promote educational excellence and to enhance communication with parents. This allows parents to view their own child's school records anywhere, any time. In response for the privilege of accessing the CES Parent Access, every parent is expected to act in a responsible, ethical and legal manner. This is available to every parent or guardian of a student enrolled. Parents are required to adhere to the following guidelines:

- Parents will not share their passwords with anyone, including their children.
- Parents will not attempt to harm or destroy data of another user, school or district network, or the internet.
- Parents will not use this for any illegal activity, including violation of Data Privacy laws. Anyone found to be violating laws will be subject to Civil and/or Criminal prosecution.
- Parents will not access data or any account owned by another parent.
- Parents who identify a security problem with the Parent Access must notify the Principal immediately without demonstrating the problem to anyone else.
- Parents who are identified as a security risk to the Parent Access will be denied access to the Parent Access.

I have read the Parent Access Acceptable Use Policy (including the User Guidelines enclosed), and I agree to abide by and support these rules. I understand that if I violate any term of this Acceptable Use Policy, that I may lose my privilege to use the Parent Access system, and may be liable for civil and/or criminal consequences.
