September 15, 2020

Dear Clementon families,

Thank you for your dedication to remote learning over the first week of school. Attendance has been outstanding; that demonstrates the community's commitment to learning! All of our teachers have been working so hard preparing and they loved meeting their students. Thank you for your patience during the first few days with technology, connectivity and the many challenges of rolling out remote learning to begin the school year.

If you are having Chromebook issues or need tech support, please contact Ms. Nicole Smith at (856)783-2300 ext.\*2102 between 9:00-10:00 am or leave a message if she is not available. You will receive a return call to troubleshoot your issue or schedule pick-up for a replacement device.

A reminder that our grade level sites are located on our webpage under the parents' tab. On each grade level site, parents/students can find links to their special area classes. Also, a reminder that grade level lessons are being prepared by our special area teachers according to their daily schedule to be completed from 12-1pm each day. If you have questions or are having difficulty locating these pages and assignments, please reach out to our special area teachers, as they are happy to support you.
