OVERBROOK HIGH SCHOOL

Home of the RAMS!

Overbrook High School has a proud past and a promising future. We are continuously working to improve our school's academic offerings, athletic programs, arts department, and much more.

All of our staff will go above and beyond to help the students succeed in an economy that is constantly changing.

Inside this pamphlet, we have listed many of the **elective** and **high level** classes that we offer our students. Additionally, the **athletic** and **extracurricular** offerings are listed.

If you have any questions, please contact us. We would love to speak with you about our school!
